Peer Evaluation

Please evaluate the contributions of *other* members in your group on a scale of 0 to 10. Further, indicate each of the other member's contributions in the creation of the group write, preparing the presentation material and research. Please assign the score (0 to 10) based on the team member's overall performance in the team. Please add additional comments to substantiate and explain your scores.

Your Name _____

Your Group's Company or Organization: _____

Peer Name	Overall Contribution to the Project (0-10), with comments	Provided most of his/her contribution in (circle one of the following)
