This unit will provide you with a series of tools to help you synthesize what you read, make critical conclusions about how writing works, and articulate those conclusions in clear, specific and compelling language.

**Unit SLOs (Student Learning Outcomes)**

By the end of this unit you will be able to distinguish the differences between summary writing and literary analysis, and you'll practice doing the former - summary writing - in several different writing contexts during the unit, culminating in a 4-page summary essay at the end, demonstrating your grasp of the summary form.
