UNIT 1 Summary

This unit will provide you with a series of tools to help you synthesize what you read, make critical conclusions about how writing works, and articulate those conclusions in clear, specific and compelling language.

Unit SLOs (Student Learning Outcomes)

By the end of this unit you will be able to distinguish the differences between summary writing and literary analysis, and you'll practice doing the former - summary writing - in several different writing contexts during the unit, culminating in a 4-page summary essay at the end, demonstrating your grasp of the summary form.
