

Class Assessment questions:

Please be honest and forthright in your responses – this questionnaire is not a test, nor does it contain questions that are designed to manipulate your responses. I am looking for your honest appraisal of class components that may not be working as well as I want them to. I can make changes, but only if you're willing to tell me **specifically** what you believe is working and what's not.

- I **like** this class Yes / No
(This is **why** I do or don't like the class):

- I **care** about this class Yes / No
(This is **why** I do or don't care about the class):

Thinking about the **READING assignments** in this class:

- I feel there's **too much reading** in the class Yes / No
(A better reading load per week for me would be this many pages: _____)

- I'm **interested** in the readings selections chosen for this class Yes / No
(These are the **kinds of titles or subjects** I would **rather** be reading in this class):

- I've **done** most of the assigned reading for this class Yes / No
(This **why I haven't** done very much of the reading):

- I feel like I know **how to read critically** the assigned readings in this class Yes / No
(This is the **kind of instruction** I think might help me learn to read more critically):

Thinking about the **WRITING assignments** in this class:

- I feel there's **too much writing** in the class Yes / No
(A better writing load per essay would be this many pages: _____)
(A better number of shorter homework writings per week would be _____)

- I feel that the writing tasks are **too difficult** in this class Yes / No
*(This is **why** I think they're too difficult):*

- I feel **well prepared** by my previous English class for the things I'm asked to write in this class Yes / No
*(These are some **specific writing skills** I wish I had been taught before I got to this class):*

Thinking about the **assignment INSTRUCTION** provided for writing tasks in this class:

- I feel I've gotten **enough explanation, modeling, practice and preparation** to successfully complete writing tasks Yes / No
*(This is what I think I need **more or less of** to complete the writing tasks successfully):*

Thinking about the **GRADING evaluations** in this class:

- Expectations are made **clearly enough** so that I feel adequately prepared for evaluation of my writing Yes / No
*(This is what I would have liked to know **going into** formal writing assignments in order to improve my grade):*

- This is what I **do or don't like** about the grading in this class, specifically:

Thinking about the **CLASS AS A WHOLE**:

*What's missing? If you feel the course isn't engaging you and/or effectively preparing you for assignments, what needs to change?
What specific kinds of changes would you make to the course to make it possible for you to do well?*

- I want **more** and/or **less** (or both!) **of this** from the class **OR** These are some things that would **make this class better** for me:
