

## MyLABS: **COMMAS** HOMEWORK INSTRUCTIONS

Instructions for completing the **Commas** lesson sequence in MyLabs:

1. Sign in to MyLabs using your regular log in and password
2. Enter our MyLabs course
3. Find & Click: **Writing** (on the menu bar on the left-hand column of your course page screen)
4. Find & Click: **Learning Path**
5. Find & Click: The **Punctuation, Mechanics and Spelling** green box (in the middle of the main window)
6. Find & Click: **Commas** (on the blue Topics List of sentence skills in the left-hand column of the window)
7. Complete all 6 of the Activities sequence in the right-hand column of the window. These are the Activities you should be viewing on that menu list. All of them need to be completed:

**W2.2 Overview**

**W2.2 Animation**

**W2.2 Recall 1**

**W2.2 Recall 2**

**W2.2 Apply**

**\*W2.2 Post-test**

\*\* Remember that all of the items on the Activities list need to be complete in order to get credit for any of them, and you'll need to achieve **80% percent mastery** on the post test as well to get credit for it. You can take that post test as many times as you like before the **deadline this Thursday before class**.
