

Unit 1 Group Check-in Questions

1. Who are you?
2. Who is your audience?
3. What problem are you trying to solve?
4. What is your proposed solution?
5. What is the specific argument pitch you'll be making to your audience?
6. How will you be organizing your argument pitch (e.g. presentation sections divided up per student and aligned with the Rogerian stages, or another organizing strategy)?
7. What other specific argument strategies do you envision deploying in your argument work, either in your Prezi or in your verbal pitch?

8. What research, planning and writing work have you completed over the past week?
9. Have you begun exploring Prezi, and set up free accounts for each person in your group?
10. What is your work plan for the next week? Two weeks?

11. What problems have you encountered in your research, writing and development work and how has your group overcome them?
12. What problems can I help you solve in your argument pitches, Prezi's or other?
