Westfield Centre Security Escort Service:

To Request - Call Security Dispatch: **415-495-7125**

Guards will come to a central area -- such as the elevator lobby -- to meet students and then escort them to the street or to the Powell Street Station doors.

(It would be best if students request the escort in groups whenever possible - this will make the best use of the security guards' time and allow their escort service to be most effective.)

Thank You!
